Bring new flavors to your plate and experience the culinary diversity of Bazar Long Grain Rice.

Classic preparation: Add rice to boiling water with 1/2 teaspoon of salt (400 ml water for 200 g of rice). Simmer the rice over low heat for 15 minutes.

# Bazar Parboiled Rice 800 g

Bazar Parboiled Rice, also known as Long Grain Parboiled Rice, is a premium product for lovers of high-quality rice. It is carefully processed to provide you with an exceptional culinary experience.

This rice is characterized by its long, slender shape, which remains fluffy and grainy after cooking. With its mild flavor and pleasant texture, it is perfect as a side dish for various dishes or as the main ingredient in delicious recipes.

The product is extremely versatile and can be used in various culinary styles. Whether you want to prepare Asian, Oriental, or international dishes, Bazar Parboiled Rice always complements them perfectly. Its fine quality and excellent cooking properties make it a favorite in the kitchen.

Try Bazar Parboiled Rice in various recipes such as fried rice, risotto, or exotic curries. It absorbs the flavors of the spices and ingredients it is cooked with, giving your dishes a distinctive touch.

Discover the versatility of Bazar Parboiled Rice and be impressed by its unique taste and exceptional quality. Treat yourself and your loved ones to delicious dishes prepared with this exquisite rice. Bazar Parboiled Rice is the perfect choice for discerning food enthusiasts who want only the best in their kitchen.

Vegan, lactose-free.

During the "Parboiled" process, raw rice is first soaked and then treated with steam and pressure. The rice is then dried, hulled, and polished. The advantage of this process is that a significant portion of the vitamins and minerals from the bran are pressed into the rice grain using hot steam. As a result, Parboiled rice is nutritionally more valuable than conventionally polished rice. The cooking time is also reduced compared to natural rice.

Store in a cool, dry place. Protect from direct sunlight.
